<sup>1</sup>Albarradas Zapotec is spoken in Santo Domingo Albarradas, Santa Maria Albarradas, and San Miguel Albarradas, located to the north of Mitla, Oaxaca, on the road to Ayutla. The speech of Santa Catarina Albarradas is somewhat different. Santo Domingo has contact with Mixe speakers from Tlahuitoltepec, Ayutla, and Tamazulapan which have settled in the town and in some cases there has been intermarriage between Zapotecs and Mixes. SDA has considerable subdialectal and idiolectal variation, so that some of the statements in this paper do not necessarily apply for each individual speaker.
